

COVID-19 Beauty Safety Policies

- Face Coverings are always required inside of Avanti
- Hand Sanitizer must be used as you enter our main doors & Hand Sanitizer is available throughout the Salon & Spa
- All clients are required to complete both a Health Questionnaire & a Waiver of Liability Relating to Covid-19 at every visit
- We will conduct Non-Contact Temperature readings for all clients & staff upon entering
- In some cases, certain technicians are required to wear *either* a face shield or a face mask – depending on the service being performed & all employees will wear gloves for your protection
- We require clients & technicians to wash hands for 20 seconds before beginning any services
- We will not be accepting sick clients – If you or someone you are in close contact with is sick within 24hrs of your appointment, please cancel immediately
- All cancellation fees will be temporarily waived to ensure that Avanti is a safe environment for other clients and our staff – We will help you reschedule your appointment for a later date
- Employees who show flu-like symptoms will be required to stay home until they are symptom free and they are required to complete a Health Questionnaire before they start each day
- Respect social distancing always – please no crowding – 6 feet apart
- Come alone – Please do not bring children or others to your appointment
- Please wait outside for your appointment – we will let you know when we are ready to see you - as we are limiting the number of people inside – we have bistro sets along the sidewalk of AVANTI for your convenience or you may wait in your car – no waiting area or tranquility room available as of now
- No outside food or drinks permitted inside the Salon & Spa at this time
- Please do not touch any retail / boutique items – a staff member will be happy to assist you
- Our environment is sanitized with EPA/Hospital Grade disinfectant and are well stocked with cleaning supplies
- Disinfecting of tools, stations and rooms will occur between every single client – we appreciate your patience with us, as we may take a few extra minutes to do so
- We are following a rigorous cleaning schedule to ensure that all high-touched surfaces, towels, capes, aprons, and products are disinfected on a regular basis

We love you, *but* we can't hug you! Let's stay safe together!
